B073

He was a hunky fisherman that did all the right things to reel me in.

I went on vacation to this lake resort, by myself. I just needed some peace and quiet, being able to do what ever I want to do. I like this resort I went to because I'm able to lay on the dock without a bathing suit if I want.

The first day I'm there, I went to the local store, stocked up on some groceries, a few bottles of wine, and a new blow up raft. I went back to my cabin, made some lunch, changed into my cover up and headed to the dock. I brought my cell phone and the raft. Got things set up, blew my raft up, and tied it to the dock, so I don't float too far away. I poured myself a glass of wine, got my cover up off and got onto the raft. The sun is shining brightly and the heat on my skin feels awesome. Some good tunes on the cell phone have helped me drift off to sleep. I woke to the sun not shining on me anymore. I looked up and saw some grey clouds moving in.

I pulled my raft back to the dock, and jumped in the water to cool off. The sun came and went as the afternoon went on. When I climbed out of the water, I put more lotion on my body, then sat in a reclining beach chair for a bit longer. The sun was staying hidden behind the clouds and the wind picked up. I put my cover up back on, gathered things on the dock, making sure nothing would blow into the water. I grabbed my cell and headed back to my cabin. I put my ear buds back in and changed the station to hear

the weather report: 'Strong winds and heavy rain.'

I'm thinking to myself, a good thunderstorm at the lake. As long as there isn't any lightning, I'm able to sit in the rain, totally naked and enjoy. I can pull my toys out and fuck my pussy. I haven't been able to find anyone to fulfil my fantasy of getting fucked in the rain, so I will do. A truck pulled into the driveway, I pulled my cover up on and watched this guy jump out from his cab. A very nice hunky guy got out, went to his cabin by the boat dock, unloaded his fishing gear and other belongings. He saw me, smiled and got into his truck again to leave.

I was going to start the bbq pit, but the clouds are getting darker and thicker. I went in to take a quick shower, I need to get the lotion off of me. Plus, I knew if the storm would hit, I may not have any electric. Once I got dried off, I put some baby oil on my legs and boobs. Looking for the candles and a flashlight, I hear a strange noise. I looked up and out the window. I didn't see anything, so I went back to what I was doing. I found some candles and matches. I placed them on the table where I could find them if needed.

I made up a small salad for my dinner, got another glass of wine and went to my picnic table by the lake. I sat there watching the boats get back to their docks before the storm got here. I look over to the

dock and there's a boat in a slip. It wasn't there before, but who knows. I shrugged my shoulders and finished my salad. The guy in the other cabin never came back, so I went over to see if he had everything picked up, not to blow away. As I walked closer to his door, the wind picked up and started to blow things around the dock. I headed in that direction, picking swim toys and cans off the ground. I pull the chairs and my raft closer together, using a rope to tie them all to a pole.

I'm walking back to my cabin, trying to handle the wind from knocking me down. A huge gush of rain hit me and pushed me to the ground. It startled me, as I was getting to my feet I felt a hand on my waist. It was the guy from before. He helped me up and led me to my cabin. I told him thank you as he went back to his own cabin. The wind picked up, the lights flickered a lot. I made sure the window were all closed

wine if he wanted some. He had already poured a glass and moved to the couch. I came out from the kitchen and sat next to him. By the conversation we were having, I could feel my pussy twitching and my nipples growing harder. I know he could see that he was exciting me, by the way my very erect nipples were poking through my shirt. I placed my hand on his leg as we laughed and teased each other.

Drew reached over to me, pulling my head closer to his, looked me in the eyes and kissed me. A deep passionate kiss, tongues in each others mouths, slow sucking on our lips. I put a hand on his chest, the other on the back of his head to pull him closer to me. Drew had put a hand on my shoulder and worked its way to my chest. He outlined my nipple as it protruded to be harder. His kisses went from my lips to me ear, to my neck and back to my ear. His hands are all over my chest and waist.

I can feel my pussy getting wetter as he rubbed my breasts and kissed me. I ran my hands to his shorts and felt his cock. It was growing as I touched him. I reached up, rubbed his chest again, then back to his cock. Our breathing has gotten heavier, our kisses deeper, our hands all over each other's body. Drew pulls me to stand up next to him. We start to slow dance, being tight next to each other. Drew, pulls on my shirt

and lit a candle. All of a sudden a loud clamor came from outside and the lights are off. The only light was from the lightning and my candle. I just sat there in the dark, watching it storm from my window.

As the wind picked up, lawn furniture was flying everywhere, I saw some of the things from the dock blow off. I guess I didn't tie them down good enough. With all the noise from the wind, I was getting a bit nervous. I knew he was across the yard from me, but the storm still kinda worried me. My candle burnt out, so I was beginning to light another, when I heard someone at my door. It was him, he said he couldn't find any candles and saw that I had some. Why should he sit in the dark by himself? I told him to hang with me and we can enjoy the lightning show together. He introduced himself as Drew.

We sat at the table for a little while, chatting up our own storm. I got up to use the bathroom and to refresh my glass of wine. I told him, there was more

to take it off. My breasts are waiting for his touch. I do the same to his shirt.

His hands are cupping me as he held me tight. His hands roaming from my chest to my ass, has made me so freaking horny that I'm tugging at his shorts, to get them off. I want to see the cock I'd been feeling grow. He helps untie his string as I'm pulling them off. I get his shorts to the floor, squat down to examine his ever growing cock before putting it in my mouth. I licked and sucked on him, making him tell me how good it feels. I'm lifting his balls to pull them both into my mouth, running my fingers between his sack and his asshole. As I'm making love to his cock with my tongue, I have slipped a finger to my clit. The moisture has built up, that my panties are soaked.

Drew has me to stop sucking on him. He takes my hand and leads me to the bed. We kiss some more as he lays me down. His tender sensual kisses are working their way down my torso, working me with

his kisses as he pulls my shorts off. His hands are spreading my legs with ease. Drew licks and kisses my clit as a finger is tracing my pussy. I'm reaching down to open my labia for him. His tongue is feverishly licking my nub. I'm cumming as he sucks on me harder. My hands are on my boobs, pulling and tugging at my nipples. I'm rubbing Drew's head and pulling him tighter against my pussy. Drew lifts to kiss me again as he puts his throbbing cock in me. A long thrust as his enormous head works it's way in. I spread my legs further and Drew slowly slides in and out. No need to rush, he says, we have all night.

Here we are – two strangers making love during a thunderstorm. It's not the love making fantasy I have under the rain, but this one is just as good, if not better. I'm ready to cum again, my breathing is faster. Drew pulls from me and goes to suck my nectar as it flows from me. Drew has his fingers in me pumping to get more cum. I'm moving with his thrusting fingers. I reach for his cock. Drew lifts himself over my head and puts his cock in my mouth. He is back to fingering and licking my pussy. His tongue is making love to me. As I suck on his cock harder, he flicks his tongue faster. Faster he flicks and sucks on my pussy, his tongue in and out of my hole.

I'm moaning again, I pull on his hand to rub my clit faster. I tell him that an orgasm is building up. He rubs and fingers my clit faster. I'm wiggling around and begin to buck his face as he licks me. I pull his cock from my mouth as I scream. My pussy is aching to cum. He rubs my clit harder and feels me beginning to squirt on his hand. He lifts to get my hot juice on his face. He then breaks our sixty-nine and repositions himself to enter me again with a long slow thrust. In and out, nice and slow. No rush for the rest of the evening.

As I have cum numerous times, he is now ready to fill me with his. He kisses me long and hard as his cock head grows. He's telling me that my pussy felt so tight that he's ready to cum. I clinched my pelvic as he came inside me. He continued to fill me with many thrusts of cum. He pulls out, pulls me to his arms and holds me close. We can see the storm is still here, but not as strong as earlier. We fall asleep for a bit, before waking to the sound of a huge thunderclap. I

get up to use the bathroom again, then he joins me. As I'm sitting in front of him, I pull his cock towards me to suck it again.

His cock grows hard again and he lifts me to the bathroom counter. Slipping a finger in my pussy, he realizes I'm ready to have him again. He enters my pussy, this time with a hard quick thrust. I moan loudly and wrap my legs around his waist as he rams me hard. Drew bends his head to my breasts and sucks them hard, but all his concentration is on fucking me. He lifts me and walks with me still on his cock over to the sofa. More thunder crashes make the experience almost surreal.

Drew then fucks my hole harder, as hard as he did all night. He flips me over, fingers my ass as he pumps my pussy. I'm on all fours as he enters my ass. A long sigh of enjoyment comes from us. Again, hard long thrusts, in and out, pumping me full of his ever growing cock. I'm fingering my pussy as he is fucking my starry hole. As our breathing is stronger, I tell him I'm ready to cum again. We both cum at the same time, making a big cummy mess. I sit there while he sucks my nipples, before cleaning ourselves up.

I get us another glass of wine, then lay in bed until we fall asleep. When we woke in the morning, the sky was blue, the sun shining and outdoor furniture was everywhere. I went to the bathroom to take a hot shower, before going to clean things up. Drew joined me for a shower of love making.

We get things cleaned up from around the outside

before Drew asks me to go fishing with him. I accept the invite. We go out and take off all our clothes collecting rays in the middle of the lake. There was no fishing done that day and getting sun was better this way than doing it alone.

LENA PAUL

Lena's always been known as one horny chick. When she discovers that Jean was home, she couldn't hold her libido back anymore. Within minutes, her mouth was put to work on his cock and her tight wet pussy got stretched all over the living room. ASTRID STAR

I haven't done very much of this. No, not sex, but posing for the camera while I'm totally nekkid. It's kind of a strange feeling with a group of people hanging around while you're taking your clothes off, and fingering yourself. What's weirder is that some aren't watching, they are just doing their own thing. I hope I can get used to it.

CUCK 'N FUCK

For the last three years I have been with the most beautiful girl. Initially things were hot and heavy and she ignored some of the things about me because she liked my heart and my sense of humor. That meant ignoring that my cock was barely more than six inches hard. It was 'cute' and easily fit in her mouth. Then, little by little it's 'cuteness' wore off and she started talking about wanting a bigger cock. Oh, she still loved me, but she was in the prime of her sex life and wanted more, or should I reiterate, bigger.

Then she told me she had been getting an old boyfriend of hers named Robert to screw her and she has been loving it. And, strangely, I have to say its been a huge turn on for me, too. She goes and sees him and then comes home to me so I can eat her out. She likes that and she cums several times. I like it too.

Then one afternoon, Amie told me that she had convinced Robert to come over and show me how a real man fucks. I took no offense and was actually nervous and excited. She set it up for the next nite. Amie got ready early. She had a totally awesome body with 36D boobs, a thin waist, and long straight hair. She put on a tight body-hugging dress, stockings and high heels.

When the doorbell rang, Amie told me I had to answer it. When I did there was a well built guy standing there. I asked if he was

Robert. He said "Yes, and you must be little dick, or at least that's what Amie calls you."

I was shocked how forward he was as he just came right in and sat down beside Amie on the couch. She told me to get some beers and when I returned Robert had his hand up her skirt rubbing her pussy. She looked at me and said "This is what you been wanting to see. Right?" I stuttered a little and said 'yes,' then, she said "You need to ask Robert to fuck me." So I asked him if he would fuck her for me.

He said "You can do better than that." So I said "Please will you fuck her. My cock is just to small to please her and she deserves more." They both laughed and he stood up and took his jeans off. His fully erect cock sprang up and I saw he was at least twice as long as me and way thicker.

She got on her knees and began to stroke him and suck the head. After a few minutes she looked at me and told me to take my pants off. I did and they both chuckled at my dick. Then she had me stand next to Robert while she compared us. I don't think I realized till then how small I really was.

After that Robert proceeded to bend Amie over the couch. They made me stand in front of them so I could see the look on her face when he put that big cock in her. I watched her eyes roll back in her head and as he pounded her. He reached around and starting rubbing and squeezing her breasts and told he it was a shame that I would never be able to fuck her like that. Then Amie said my cock is way to small to do that.

AFTER DINNER WHEN WE STOOD UP, I WENT TO ADJUST MY SKIRT AND HE ORDERED ME TO STOP.

Then he told her to lay on the coffee table and he straddled her and began to titty fuck her. She told me to be a good little bitch and eat her pussy, so I began to eat her and it was great. Robert asked if I liked the way his cock tasted. I said "Yes, it tasted good." Then she told me to move so a real man could get between her legs.

I got up and Robert moved to put his big cock back in her and he fucked her so long and hard that she came over and over. She told me that his job was done and it was my turn. She looked at me and pointed to her pussy and said "Start licking," so I did. I ate her for so long that she came twice more. After I was done, she told me I should get use to this.

HOW BIG IS TOO BIG

My name is Mitch and I'm what you call a wing man. My main man is Morris and he's very well known in this town, kind of a legend. You see, Morris has a 12" dick and knows how to use it. Me, I catch his rejects and leftovers. Not a bad gig. What follows is his newest conquest, so let me recount it while it's still fresh.

There was this lady Stevie, who goes to the mall for a new dress to wear for her husband's company bash. Ray her hubby, was being honored for his 10 years of service to the accounting company. He started as a mail boy and now was becoming a partner in the firm. Stevie was so proud that she had to look just right to support him. As she looked around the department store, she was seen by Lara who was Ray's biggest rival at work. She thought

she was the one in line when they picked Ray and was not at all happy not to be selected.

Lara came up to Stevie and the greeting was nice and friendly they looked around and picked dresses to try on and head to the dressing rooms Lara peers into Stevie's room and just as she is pulling her top off grabs her from behind. Stevie starts to yell and Lara muffles her. Then Lara snaps some pics on her phone of the naked Stevie, and says for Stevie to get dressed now and come with her.

Stevie's head is spinning but still dresses and follows Lara to her car. Lara looks at her with spite in her eyes and tells her get her ass in the car and shut-up now. After driving for about ten minutes she turns on a side road to a large house at the end of a cul de sac and tells Stevie to get out. She takes Stevie inside and makes her sit on the couch. Then Lara calls someone and ask them to come over. The two women wait and a short while later a car pulls into the driveway.

Lara goes out and talks to them and soon in the doorway stands a tall, well built man, and me right behind him. Stevie looks up into his eyes and becomes scared and excited at the same time. He speaks to Lara, "You called me here to do what?" She shouts out, "I want you to fuck her and I'm going to tape it." He looks

at Stevie and then back to Lara, "Why?" She replies, "Because her husband got my job and if his little wifey get taped fucking you, she will do as I say to keep him from seeing it. That's why." Stevie moans and puts her head in her hands. Lara just laughs and as she heads out says have fun. I'll be back in a couple hours.

Lara leaves and Morris and I sit down. Him on the couch and me in a side chair. "What's your name?" he asks. "Stevie." she replies. "How old are you, Stevie?" "31." she says. "My name is Morris," he says. Suddenly she realizes who he is. He continues, "Look, Stevie, I'm not going to hurt you, and if you want me to

HE SAID HE WAS READY TO CUM AND I QUICKLY FELL TO MY KNEES AND TOOK IT ALL IN MY MOUTH.

leave, I will. But first, let me ask you. When is the last time your husband really pleased you?" She lowers her head and meekly admits, "It's been over a year."

"Really? Do you know who I am?" he asks. "I think so," she says lifting her head to look at him. Suddenly, he does not seem menacing. "Let's get right to the point. Lara wants a tape of us fucking to use as blackmail. I'm not really into the blackmail part, but... if you want to fuck me and let Mitch here tape us, I promise not to release it to Lara, until the time you say I can."

Stevie is shocked by what she just heard. "Is it true you have a 12 inch cock?" she asks with hidden interest and intent. "Yes, would you like to see it?" he asks. "But bear in mind that if you have me take it out, you have to get it hard and it does not go back in my pants," he adds. Without hesitation, Stevie agrees.

Morris stands up and puts himself in front of her. "Go ahead, unzip." With a slight tremble in her hands, she reaches up and unzips his pants and undoes his belt buckle. She pulls his pants down and his boxers, too. Revealed is a 9 inch schlong, semi-hard and hanging low. She reaches out and touches it and then circled her hand around it. Her fingers do not meet on the other side, but she begins to stroke it and his cock responds by adding another three inches, getting rock hard, and pointing right at her mouth, which she moves in to circle the cock head with her lips.

This is the time I pull out the camera and start recording. Morris takes a small step towards her and pushes his cock deeper into her

mouth. After a minute she stands up and removes her top to reveal her 34D boobs. I zoom in on them and then to her sucking his cock.

With his hand on her head he pushes his hugeness into her mouth deeper making her gag. After a while he pulled out and she tried hard to catch her breath, he wiped her breasts with the spit that came out of the blow job, and tweaked her nipples. He pulls her to her feet and pushes her skirt and panties down and rubs her pussy. Stevie pulls away slightly but he was too strong. Soon his huge fingers were inside her pussy. The feelings were so hard to fight she knew it was wrong; that she was married. Yet she could not get over the desire she felt.

Laying her back, he guided his meat pole to her opening and eased in inch by inch filling her as never before. Unable to withstand it, she humped up to meet him and begged for more. He had her so filled, and it was so wrong but she knew she needed much more. Her first climax shocked her as to how strong it was, and the ones that followed were ever better yet.

She gave in to him. He could do whatever he wanted now. Morris picks her up and bends her over the arm of the overstuffed couch. He enters her from behind and

she squeals as he pushes in. A few strokes later and they were moving in sync. She feels him about to cum and pushed him off so she could take his load in her willing mouth.

Lara came back in and checked my tape and left. Stevie dressed and we took her back to her car at the mall. We reassured her that we would keep the tape safe. I took it home that night and looked through it... Just to be sure it was okay, ya know.

ONE OF THE OTHER WAITERS WALKED OVER TO US, TOOK MY HAND AND PLACED IT ON HIS HUGE COCK.
